TEMPORARY OFF-PREMISE SIGNS

(§181.5337)

Temporary off-premises sign(s) which are used for the purpose of promoting a charitable event, nonprofit event, a religious event, a public holiday or a civic event shall be permitted only by the written approval of the Building Division subject to the following:

- \* Such sign(s) shall not be illuminated nor in excess of thirty-two (32) square feet
- \* Such sign(s) may only be erected fourteen (14) days prior to the promoted event and shall be completely removed within three (3) days following the conclusion of the promoted event. **Installation is the responsibility of the organization applying for the permit.** Worker's Compensation Form must be filled out by contractor erecting the sign. Also, proof of **Liability Insurance in the amount of \$1,000,000 General Liability and \$3,000,000 Annual Aggregate Limit** with the City named as an "Additional Insured" must be submitted with sign application.
- \* The applicant for such temporary off-premise sign(s) must secure, in writing, the permission of the property owner(s) on which the signs are proposed to be located.
